The Northern Ireland Ambulance Service (NIAS) Health and Social Care Trust has now completed its search for the information you requested in relation to the below question and would respond as follow. The Trust would fully apologise for the delay in the provision of a response.

Please find attached completed questionnaire as requested in respect of NIAS ICT equipment. Due to the vastly changing financial market, NIAS have provided the number of devices that will be changing as opposed to the budget connected to same. I would further advise that information in relation to the NIAS reach project and ICT equipment associated with same will follow in due course.

If following an internal review, carried out by an independent decision maker, you remain dissatisfied in any way with the handling of the request, you may make a complaint under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office

and ask that they investigate whether the Trust has complied with the terms of the Freedom of Information Act.

You can write to the Information Commissioner at:
