Dear

**FREEDOM OF INFORMATION REQUEST**

**Request No:** 26376-24  
**Subject:** NIAS Maternity Data – Calendar Year 2023  
**Date Received:** 04/01/2024  
**Date of Monitoring:** 05/01/2024

Thank you for your request for information received on 4 January 2024 which was dealt with under the terms of the Freedom of Information Act 2000. The Northern Ireland Ambulance Service (NIAS) Health and Social Care Trust has now completed its search for the information you requested and that is detailed below.

**Questions**

- 1) The number of maternity related calls you received and what percentage of your total calls this equates to
- 2) The number of babies you delivered
- 3) The number of cases of
  - a) Post-partum haemorrhage
  - b) Breech birth
  - c) Shoulder dystocia
  - d) Cord prolapse
  - e) Neonatal resuscitation
  - f) Women you attended in labour

**Answer**

Please refer to the attached document entitled FOI\_26376\_24 Maternity 2023 summary.

**(e) Refusal Notice**

Neo-natal resuscitations are not recorded in this format. A manual review of all calls would need to be completed to establish if CPR was carried out. This would be disproportionate.

Section 12 of the FOIA provides an exemption from a public authority's obligation to comply with a request for information where the cost of compliance is estimated to exceed the *appropriate limit*. To answer 3E above would exceed the Freedom of Information Act 2000 appropriate fee limit.

We estimate that the cost of complying with your request would exceed the appropriate limit of £450.00/18 hours. The appropriate limit has been specified in regulations. Under Section 12 of the Freedom of Information Act 2000, the Trust is therefore not obliged to comply with your request. It is currently estimated that to extract the data and to manual review calls would take more than 18 hours.

This section of the letter acts as a refusal notice under section 17(5) of the Freedom of Information Act 2000 in relation to 3E above.

I hope the attached fully assists you.

Please note that, under the Re-use of Public Sector Information Regulations, if you wish to publish or otherwise use this information besides for your own means, you will need to seek our permission to do so.

If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible, or in any case within two months of the date of issue of this letter.

If following an internal review, carried out by an independent decision maker, you remain dissatisfied in any way with the handling of the request, you may make a complaint under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the Trust has complied with the terms of the Freedom of Information Act.
