

Good afternoon

I would advise that the NIAS is a pre-hospital organisation and therefore we do not operate an acute hospital service to the public in terms of hospital specialties and ward /associated treatments. This would fall under the remit of each individual Health & Social Care Trust operating within Northern Ireland as detailed below:

Northern Health & Social Care Trust  
Belfast Health & Social Care Trust  
Western Health & Social Care Trust  
South Eastern Health & Social Care Trust  
Southern Health & Social Care Trust

I would suggest making contact with each of the FOI leads in the above Trust's (emails addresses will be available via their websites) and they should be able to assist you further.

The information requested is not held by the NIAS.

Kind regards

**Subject:** FOI Request - Birth rights

Dear FOI Officer

This is a request under the Freedom of Information Act (2000). Please provide the attached information to help us understand the scale of restrictions to the rights of women and birthing people to choose their place of birth across the UK, as we campaign for improvements in maternity care for all women and birthing people.

We look forward to receiving your response within 20 working days.

Yours sincerely
