Dear

### **FREEDOM OF INFORMATION REQUEST**

**Request No:** 33784-24  
**Subject:** Interview Questions Request  
**Date Received:** 19/10/2024

Thank you for your request for information received on 19<sup>th</sup> October 2024 which was dealt with under the terms of the Freedom of Information Act 2000. Northern Ireland Ambulance Service (NIAS) Health and Social Care Trust has now completed its search for the information you requested and that is detailed below.

#### **Question**

I am looking to know how I would go about obtaining copies of interview questions which have featured in the EMT/AAP interviews in the past 5 years.

#### **Answer**

Thank you for your request regarding access to EMT/AAP interview questions. We appreciate your interest in these roles.

NIAS have carefully considered your request. Whilst we strive for transparency in our recruitment processes, we are unable to disclose past interview questions under Section 36(2)(c) of the Freedom of Information Act (FOIA).

This exemption protects information that could prejudice the effective conduct of public affairs, including maintaining a fair and effective recruitment process. Disclosing past questions could give certain candidates an unfair advantage or necessitate frequent changes to interview content, hindering efficient candidate assessment.

We understand your desire to prepare effectively. However, disclosing specific questions would hinder this goal by potentially leading to pre-prepared, inauthentic responses.

If following an internal review, carried out by an independent decision maker, you remain dissatisfied in any way with the handling of the request, you may make a complaint under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the Trust has complied with the terms of the Freedom of Information Act.
