

NIAS REF: 33785-24

Good Afternoon

I would advise that the NIAS is a pre-hospital organisation and therefore we do not operate an acute hospital service to the public in terms of hospital specialties / wards /associated treatments including prescriptions. This would fall under the remit of each individual Health & Social Care Trust operating within Northern Ireland as detailed below:

Northern Health & Social Care Trust  
Belfast Health & Social Care Trust  
Western Health & Social Care Trust  
South Eastern Health & Social Care Trust  
Southern Health & Social Care Trust

I would suggest making contact with each of the FOI leads in the above Trust's (emails addresses will be available via their websites) and they should be able to assist you further.

The information requested is not held by the NIAS.

Kind regards  
Information Governance Team
