

Dear

Thank you for your email below.

I would advise that the NIAS is a pre-hospital organisation and therefore we do not operate an acute hospital service to the public in terms of hospital specialties and ward /associated treatments. This would fall under the remit of each individual Health & Social Care Trust operating within Northern Ireland as detailed below:

Northern Health & Social Care Trust
Belfast Health & Social Care Trust
Western Health & Social Care Trust
South Eastern Health & Social Care Trust
Southern Health & Social Care Trust

I would suggest making contact with each of the FOI leads in the above Trust's (emails addresses will be available via their websites) and they should be able to assist you further.

The information requested is not held by the NIAS.

Kind regards

Subject: Freedom of Information Request

Dear Sir/Madam

I would like to request the following information:

For your last 2 financial years, I would like to request the total amount (as a single cost figure, e.g. £100,000) of clawbacks and refunds your council has requested from care providers, specifically those providing care for the elderly including; residential homes, nursing homes and domiciliary care providers.

Clawback amounts frequently appear on remittance advice to care providers, they instruct providers to use credit the council has with the provider as payment towards other outstanding invoices. I am hoping to use this information to understand the amount overpaid to care providers (and later reclaimed) before trying to identify the reasons behind overpayments.

If possible I would like to receive the information by email and as an attached spreadsheet (for example a Microsoft Excel or CSV file) containing 2 columns “Year” and “Clawback / refund amount”.

My email address is:

Please do not hesitate to email me should any aspect of my request require clarification.

Yours faithfully
