Subject: Freedom of Information Request : Salary Sacrifice Scheme.

Good morning,

I am collating information on the number of electric vehicles in Northern Ireland and percentages of those utilised through Salary Sacrifice schemes. I have already been in contact with the other 5 Trusts and obtained the relevant figures.

Could I please ask:

- Is there a salary sacrifice scheme in place for employees, for vehicles (including Electric Vehicles/Hybrids) in the trust?
- Who administers the scheme> (E.g NHS Fleet Solutions)
- For a breakdown of the number of employees availing of the scheme and how many electric vehicles, and how many hybrid vehicles are being availed of through this scheme.

Many Thanks
Kind Regards
