Good morning

Thank you for your information request however I would advise that the NIAS is a pre-hospital organisation and therefore we do not operate an acute hospital service to the public in terms of hospital specialties and ward /associated treatments. This would fall under the remit of each individual Health & Social Care Trust operating within Northern Ireland as detailed below:

- Northern Health & Social Care Trust
- Belfast Health & Social Care Trust
- Western Health & Social Care Trust
- South Eastern Health & Social Care Trust
- Southern Health & Social Care Trust

I would suggest you making contact with each of the FOI leads in the above Trust's (emails addresses will be available via their websites) and they should be able to assist you further.

The information requested is not held by the NIAS.

Kind regards

Belinda Nesbitt
