FOI QUESTION(S)	ANSWER(S)
<p>My project involves looking at improving the way we give safety netting / worsening advice to the patients we don't convey and as part of the project I was hoping to establish how others trusts in the UK provide this information.</p>	<p>We provide patients with a leaflet (attached) which summarises the advice we provided, alongside details of referral, self-care and other safety netting information.</p>

I hope the above fully assists you.
