

## **Kit Carried by NIHEMS and NIAS APCCs**

### **HEMS Equipment List**

#### **Helicopter/RRV**

Portable transport ventilator

Syringe drivers

Defibrillator monitor

Invasive blood pressure monitor

Manual Blood Pressure cuff.

Oesophageal temperature monitor

Scoop stretcher

Head huggers

Blood/Fluid warmer

Suction unit

Mechanical CPR device

EPCR tablet

Chemical Heat blankets

Foil temperature control blankets

Vacuum splints

#### **HEMS Response bag 1**

Head torches

Water thermometer

Glucometer

Portable End tidal CO2 monitor

Video Laryngoscope

Portable ultrasound

Medication packs

### **HEMS Response bag 2**

Airway stylets / bougies

Endotracheal tubes

Supraglottic airways

Oropharyngeal airways

Nasopharyngeal airways

Nasogastric tubes

Foreceps

Scalpels

Skin stapler

Tough cut scissors

Suture kits / scissors

Surgical saw

Ambulance dressings

Haemostatic gauze

Chest seal dressings

Chest decompression needles

Sterile gloves / Chloro-prep surgical disinfectant

Bag Valve and Masks Adult and Paediatric

Stethoscope

Tactical tourniquets

Olaes bandage

Blast bandage

Pelvic binders

Stiff-neck collars

Epi-stat nasal catheters

Dental bite blocks

Arterial Line Kit with transducer

Cannulas

Syringes

Giving sets

Nerve block kit

Sharps box

Intraosseous access gun and needles

Peep valve

Mapleson C circuit

ET tube ribbon

Catheter mount

Airway circuit filter

Traction splints

Burns cling film

Oxygen/nebuliser masks

Direct Laryngoscopes

## **Advanced Paramedic Critical Care – Equipment List**

### **APCC RRV**

Portable transport ventilator

Syringe drivers

Defibrillator monitor

Invasive blood pressure monitor

Manual Blood Pressure cuff.

Oesophageal temperature monitor

Suction unit

Mechanical CPR device

EPCR tablet

Chemical Heat blankets

Foil temperature control blankets

### **APCC Bag 1**

Glucometer

Portable End tidal CO<sub>2</sub> monitor

Video Laryngoscope

Direct Laryngoscopes

Portable ultrasound

Vacuum splints

Airway stylets / bougies

Endotracheal tubes

Supraglottic airways

Oropharyngeal airways

Nasopharyngeal airways

Nasogastric tubes

Forceps

Scalpels

Tough cut scissors

Ambulance dressings

Haemostatic gauze

Chest seal dressings

Chest decompression needles

Sterile gloves / Chloro-prep surgical disinfectant

Bag Valve and Masks Adult and Paediatric

Stethoscope

Pelvic binders

Stiff-neck collars

Cannulas

Syringes

Peep valve

Mapleson C circuit

ET tube ribbon

Catheter mount

Airway circuit filter

## **APCC Bag 2**

Intraosseous access gun and needles

Tactical tourniquets

Olaes bandage

Blast bandage

Traction splints

Burns cling film

Oxygen/nebuliser masks

Peak flow meter

Giving sets

Sharps box

Head torch
