FREEDOM OF INFORMATION REQUEST

Request No: 47299-26
Subject: Callouts to beauty and/or aesthetics salons
Date Received: 03/03/2026

Thank you for your request for information received on 3rd March 2026 which was dealt with under the terms of the Freedom of Information Act 2000. Northern Ireland Ambulance Service (NIAS) Health and Social Care Trust has now completed its search for the information you requested and that is detailed below.

FOI QUESTION(S)	ANSWER(S)
Where held in a searchable electronic format, please provide the number of ambulance callouts between 1 January 2020 and 31 March 2026 to premises where the recorded incident location name contains the following keywords: “beauty”, “aesthetic”, “aesthetics” or “cosmetics”	Please see attached dataset. The Trust has a duty to protect patient confidentiality, in line with this duty the individual incident dates have not been released as the numbers on each date are <5 where the figures are very low. This is because of the potential risk of identification of an individual. In reaching this decision the Trust has taken into account the small geographical areas covered in this request. In addition the Trust has taken into account the fact that all information disclosed in response to an FOI is disclosed to the ‘world at large’ and will be published on the Trust website.
For each callout, please provide the date of the incident and the primary recorded reason for the callout (e.g. loss of consciousness, chest pain, immediate threat to life, major trauma, etc.).	

I hope the above fully assists you.

Please note that, under the Re-use of Public Sector Information Regulations, if you wish to publish or otherwise use this information besides for your own means, you will need to seek our permission to do so.
