

COVID-19 Notice

Saturday 14 March 2020

Medicines Advice

Medicines advice

- There is no need for you to do anything new or different when ordering or taking your medicines.
- People should order prescriptions and take their medicines as normal.
- Extra supplies should not be ordered from your doctor.
- Stockpiling or purchasing medication that you do not need is completely unnecessary and could disadvantage other patients.
- There are no prescription medicine shortages as a result of Covid-19.
