

COVID- 19 Notice

Monday 23 March 2020

Mater Hospital

Dear all,

Please see attached a Destination Protocol relating to the Mater Hospital being designated as the COVID-19 receiving unit for the Belfast Trust catchment area. Please ensure that it is brought to the attention of all frontline staff (A&E / ICV / PCS / RRV) and control room staff (EAC and NEAC).

The Mater will no longer be accepting non-COVID ambulance admissions, and has requested a full ambulance divert from 8am on Tuesday morning until the protocol comes into place at midday in order to allow for final preparation at their ED. General practitioners are being informed of this protocol separately by the Belfast Trust.

Many thanks,

Nigel
