

COVID-19 Notice

Wednesday 15 April 2020

FRONTLINE STAFF ISSUES

MEAL BOXES

The Trust is pleased to advise that food boxes will be delivered throughout the Trust from tomorrow by refrigerated transport for storage in fridges at station level. Please remember to follow normal safe practice with regard to the food contained within each box – the food must be eaten within 4 hours of removing from the fridge.

LAUNDRY

The Crisis Accommodation Team have identified local arrangements for laundering uniforms for a significant number of staff residing in crisis accommodation. Work is in progress to put laundry arrangements in place for the remainder of staff in crisis accommodation. Further information to follow in this regard.

SHOWERING FACILITIES

The Crisis Accommodation Team have also identified additional showering facilities external to the NIAS Estate in the Belfast and Southern Divisions areas as detailed in the table below. Work is in progress to identify similar arrangements for staff in South East, North and West Divisions. Further information to follow in this regard.
