**FREEDOM OF INFORMATION REQUEST**

**Request No:** AD-IG-01(2)-2015-130

**Key Word:** Hoax Calls

**Subject:** Hoax Calls

**Request:** **Date Received:** 17/11/2015

**Date of Response:** 16/12/2015

Thank you for your request for information received on 17 November 2015 and which was dealt with under the terms of the Freedom of Information Act 2000. We would also inform you that Northern Ireland Ambulance Service (NIAS) Health and Social Care Trust has now completed its search for the information you requested and which is detailed below and attached for your attention.

**Question 1**

A record of hoax calls received by your service in the calendar years 2013, 2014 and 2015 to date (November 17, 2015 or whichever date is closest)

Please provide:

- a) The first half of the postcode (e.g. M4, TS11) from which the hoax call originated
- b) The date (DD/MM/YYYY)
- c) The response type (e.g. Red 1, Red 2, Green 1)

**Answer 1**

Please refer to attached Excel spreadsheet labelled FOI\_130. As requested we have provided the first half of the postcode district, incident date, category of call. The data has been placed into calendar years with each sheet labelled ie 2013, 2014 etc Please note this data is based on calls received and does not mean that a resource was dispatched to attend a call. We would further advise that these are potential hoax calls as we have no clear way of knowing if they are factual hoax calls and a number of different codes are also in use. In the Command and Control system there are a number of fields used to capture such activity but we have no clear way of knowing how accurate the quality of the information is. For example, due to a technical issue a phone may cut off and when a calltaker phones back and the phone is not answered it is unclear if this was a hoax caller or technical issue. There will be times that a crew does respond to a location and will not find a patient but will be unclear if a hoax or the 999 caller provided wrong detail or then decided an ambulance was not required.

There are many examples that could be provided. The data should therefore be used in a cautionary manner.

I hope the above and attached fully assists you. If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as

soon as possible, or in any case within two months of the date of issue of this letter. Please note that, under the Re-use of Public Sector Information Regulations, if you wish to publish or otherwise use this information besides for your own means, you will need to seek our permission to do so.

In the event that you require a review to be undertaken, you can do so by writing to the Finance and ICT Director, Northern Ireland Ambulance Service (NIAS) HSC Trust, Site 30, Knockbracken Healthcare Park, Saintfield Road, Belfast, BT8 8SG. If following an internal review, carried out by an independent decision maker, you remain dissatisfied in any way with the handling of the request, you may make a complaint under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the Trust has complied with the terms of the Freedom of Information Act.

You can write to the Information Commissioner at:

**Website:** [ni@ico.org.uk](mailto:ni@ico.org.uk)  
**Post:** Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, CHESHIRE SK9 5AF  
**Telephone:** 028 9027 8757 or 0303 123 1114 (Belfast based Office)

In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out. However the Commissioner has the option to investigate the matter at his discretion. Please be advised that NIAS replies under Freedom of Information may be released into the public domain via our website @ <http://www.niamb.co.uk>. Personal details in respect of your request will have, where applicable, been removed to protect confidentiality.

Yours sincerely
